GaYCP Mental Health Information Form To be completed by a medical/mental health provider

Patient Name: _____ Parent Name: _____

We are requesting you to evaluate the mental readiness of this person to attend the Georgia Youth Challenge Academy Program (GYCP). We want to ensure that the student’s attendance will “do no harm.” To help in this evaluation, we are providing some basic information.

GYCA is a 5-month, intense residential quasi-military program focused on discipline and academic excellence. While in a structured, disciplined environment, students will be expected to participate in the program’s eight core components in: Leadership/Followership, Service to Community, Job Skills, Academic Excellence, Responsible Citizenship, Life-Coping Skills, Health & Hygiene, and Physical Fitness. While here, students live in a military dorm with upwards of 50 other individuals; follow military customs such as marching, participating in physical training 5-days per week starting at 6:00 AM, going to bed at 9:00 PM, and having their entire day regimented.

GYCP has career counselors, but it does not provide mental health counseling; therefore, it is not recommended for individuals requiring intense mental health treatment. Parents and or Guardians will be responsible for arranging any mental health follow up appointments during (2) scheduled passes. Additional days away from training could disqualify the student for graduation, having not completed the mandatory number of days of training. Contact us, if you have questions.

GAYCP MENTOR PROSPECT

The Post-Residential Phase of the Georgia Youth Challenge Program is crucial to the long-term success of graduates. The goal of the Post-Residential Phase is to ensure graduates achieve their identified goals and remain free from criminal activity and substance-abuse problems. Mentors who are committed to helping the young person they volunteer to assist, are indispensable in the Post-Residential Phase, and ultimately, to the long-term success of the graduate.

Good mentors may be found in many places: youth workers, teachers, religious leaders, coaches, business professionals, community workers, good neighbors. It is best if the candidate already has a relationship or knows the potential mentor.

QUALIFICATIONS OF A MENTOR

- Be at least 21 years old and the same gender as the candidate.
- Be able to successfully pass a criminal background check.
- Not live in the same house, be a close relative, the girlfriend/boyfriend's parent, or the employer, or the candidate or his/her parents or guardian.
- Capable of being a role model who demonstrates by example the types of life-skills, work-ethics and attitudes needed to be a productive member of society.

ACADEMY'S EXPECTATION OF MENTORS

- Attend a four (4) hour mentor training session that will be provided (discussed below).
- Write cadet and provide encouragement during the five (5) month residential phase.
- Contact the graduated cadet at least once a week (face-to-face at least twice a month) during the twelve (12) month Post-Residential Phase following graduation.
- Provide guidance for social development and achievement of the graduate's goals after graduation

MENTOR TRAINING

All individuals volunteering to be a mentor; **MUST ATTEND MENTOR TRAINING**. Individuals will receive training in program requirements, supervision and guidance of at-risk youth, available support resources, and the actual role of a mentor. Each mentor will receive more information regarding training after the youth has been accepted. Mentors are required to attend one training session. For additional information, contact at Fort Stewart, Ms. Fisher at (912) 876-1743/1745; or at Fort Gordon, Ms. Howard at (706) 823-9274.
